

An aerial photograph showing a cluster of 11 modern villas with dark, steeply pitched roofs and wooden accents, nestled within a dense forest. Each villa has its own garden and terrace. A paved road runs along the bottom of the cluster, with a parking lot containing several cars. The overall scene is lush and green, with sunlight filtering through the trees.

MASTERPLAN

Low density: just 11 villas across a 4,000 m² forest.

11 detached villas + 1 management center. Every villa has its own garden and terrace, with a site plan that keeps sightlines from overlapping.
